Iron and rolling stock of the Perlido Railroad has arrived at Pensacola. The Griffin (Ga.) Semi-weekly Mar, of the loth inst., says the Port Royal Railroad—from Augusta to Port Royal—is to be completed within twelve months. To the energy and perseverance of Capt.
George P. Elliott, the projector of the enterprise, no doubt this success is mainly
due. He has been hammering at it for diffeen years, without cossation even during the war. Now, Captain, build up your great city at Port Royal, and you will have glory enough for one man.
